

Christmas Decorations

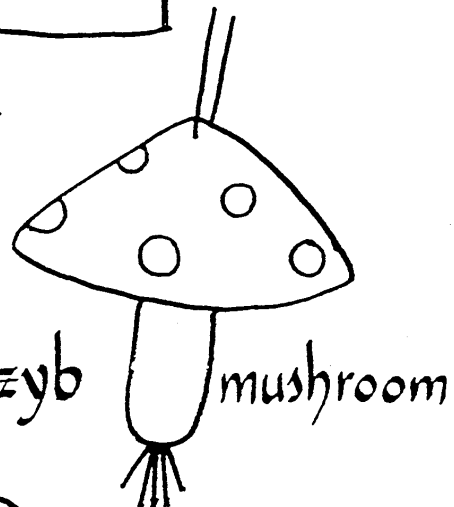

Directions: Color and cut out the Polish Christmas decorations.

anioł-
angel

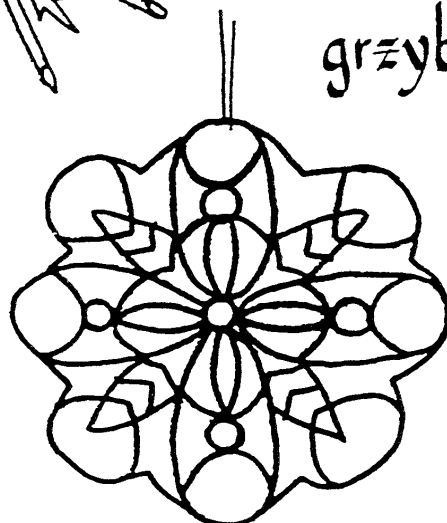

gwiazda-
star

grzyb mushroom

platek
sniegu

snowflake

Most of these Christmas decorations were homemade. During the year, egg shells, scraps of paper, wood, string, yam, tinfoil, straw and feathers were collected to be used to make ornaments. A Gwiazdka* (little star) is a most important Christmas symbol and the word has come to mean AChristmas, as much as we use Xmas. Christmas presents are often called "star-gifts." Angels and snowflakes are also popular Christmas designs.

*Pronounced: gviaskah
